# INTRODUCTION

As you probably know by now, John 7:38 is a foundational verse for RB Community Church, which states, *"From the believers will flow rivers of living water."* This water, that flows as a river from the believers, comes from a "well of water" that is given to each believer by Jesus himself. Jesus speaks about this in John 4:7-26. He shares with a woman about water that people can drink, which will not only satisfy their thirst forever, but will create a reservoir, a well of water, which will spring up to be eternal life.

In other words, believers are deep wells that Jesus fills up to such a degree that the water flows over the top of the well! In an arid and dry climate, where it only rains once or twice a year, and wells were often very low or dry, this imagery would be quite a powerful vision. But this is exactly the vision that our Lord has for us, to be filled to such a point that out of our mouths, our pores, our very being, will flow his love and grace, into a very dry and arid world.

In the region where Christ ministered, the only place that one would see green grass and trees would be around an oasis, which would naturally form around springs and certainly would have formed around overflowing wells. This image of green grass and trees springing up from wells of overflowing water, captures what happens when rivers of living water flow out of us, a spring of people come to know Christ and receive eternal life.

It is for this reason that RB Community Church has developed the College of the Bible, where the mission is "to equip believers for the work of ministry"(Eph. 4:12-14). This College is to help you be an overflowing well so that from you will flow rivers of living water. I invite you to receive all that Christ has to give you by attending a class, or classes with our College of the Bible.

You can register in the College by visiting the Education and Discipleship table in the courtyard on the Sundays of January 6 and 13, or by filling out a Connect Card during one of our Worship Services.

I also encourage you to declare a major or minor area of study, which you can do at the table. After a set number of hours, you will receive a certificate in your area of study. Any class you have taken during the past two years will count towards your certificate. Call me, send me an e-mail, or see me at the Education and Discipleship Table for more information.

I just want to highlight a few things for you as you review this Spring Semester Catalogue. Dr. Chris Cook returns with a very informative Theology and Arts class on "The History of Hymns." Kimberley Scholte returns, and is joined by David Breitweiser, for a tasty Theology and Arts Lenten class on Maundy Thursday featuring "Cooking a Passover Lamb." This semester will also be the first time we offer two on-line courses, "Comparative Religions" and a study on Church Leadership called "Leadershift." I am pleased to introduce you to our newest instructor, Sandra Daum, who is teaching a women's Beth Moore Bible Study on the Book of Daniel. The Rev. Dr. Mofid Wasef and Rev. Dr. Bob Lauer will continue this semester with their biblical studies classes. There is so much more that we are offering, so take some time now to read through this Course Catalogue.

In Gratitude,

*Rev. John M. Scholte*

# CURRICULUM TRACKS

*The Mission of RB Community Church College of the Bible is to "equip believers for the work of ministry"(Eph 4:12-14) with RB Community Church. The goal is to effectively train believers in the Word so they can grow in their relationship with Christ and others and effectively minister in their community. RB Community Church College of the Bible is committed to the foundation of God's truth in the Scriptures, the clear presentation of those truths as they relate to each course, and the application of those truths to individual believers and their ministry in the world.*

*The College of the Bible offers ten tracks which students can follow that will lead to a "major,"and/or "minor."*

---

**To receive a Major Certificate,** students must complete 60 credit hours of which 36 hours must be within the discipline of their track. The remaining 24 credit hours may be taken outside their track.

## **THE CERTIFICATE MAJORS ARE:**

**1. Christian Ministry (CMCM)** Includes a concentration on a wide range of classes that support a student's spiritual growth and discipleship. The focus is on the Christian life in general and how to live a Christian life within a secular world. (Although this can be a declared track, those who do not declare a major or minor will automatically be enrolled in this track.)

**2. Biblical Studies (CMBS)** Includes a concentration on the 66 books of the Bible. The student will be equipped to interpret the Bible for themselves and others. The focus will be on the understanding and application of the Bible through enhanced historical and contextual exploration of its various books.

**3. Theology (CMTT)** Includes a concentration on the doctrines of the Reformed Faith. The focus will include Systematics, Biblical, Historical, Covenant, and Pastoral approaches to assist the student in deepening their understanding of how theology relates to ministry and the Christian life.

**4. Christian Leadership (CMCL)** Includes a concentration on principles which enhance and develop the student's leadership skills and knowledge to lead the church professionally and spiritually in its ministry. The focus will be on how to utilize the church's structure to provide transformational and servant leadership that contextualizes the church's ministry in the community.

**5. Missions (CMMT)** The Missions major includes a concentration on preparing students for effective cross-cultural ministry as skillful workers and as clear communicators of the gospel. The focus will be ministering and working in an intercultural community which has become international and multinational. It will also include serving in a cross-cultural setting, either in the United States or abroad.

---

**To receive a Minor Certificate,** students must complete 36 credit hours of which 18 hours must be within the discipline of their track. The remaining 18 credit hours may be taken outside their track.

### **THE CERTIFICATE MINORS ARE:**

**1. Church Health and Growth (CNCH)** Includes a concentration on the signs, principles and practices of a healthy growing church along with cultural influences and reaching the unchurched. The focus will be on assisting the student to demonstrate an understanding of the biblical models of healthy churches and the missional nature behind growing churches in the context of the church's ministry in the community.

**2. Spiritual Formation (CNSF)** Includes a concentration on promoting growth in the student's inner life of faith and prayer with God in the context of a shared community, while also developing the student's knowledge-base in the Word, spiritual formation and soul care. It focuses specifically on ways to deepen the student's knowledge and openness to God and His work, as well as understanding the self and others in order to grow toward conformity of character and inner life in the image of Christ. In turn, it trains students to assist others in their journey of growth in Christ and His body.

## CURRICULUM TRACKS (continued)

**3. Teaching (CNTT)** Includes a concentration on training for the church educational programs and discipleship ministries. The focus will be on the student acquiring the tools to teach, lead and work in a variety of church education and discipleship positions including children, youth and adult ministries.

**4. Arts and Theology (CNAT)** Includes a concentration on preparing the student to be an effective interpreter of Christianity in contemporary culture. The focus will be on combining the study of music, art, or theater (with theology), creating opportunities for students to prepare for ministry in a wide variety of fields where faith intersects with culture.

**5. Youth Ministry (CNYM)** Includes a concentration in a biblical philosophy of youth ministry, understanding contemporary youth culture, youth problems, and counseling of adolescents in different settings. It focuses on how to communicate biblical concepts effectively in a variety of teaching situations. It will also include an internship that gives the student real experience in the field.

To make your declaration, and to register in the College of the Bible, you will need to take the "Gateway Class" which will be offered various times throughout the year.*

*"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing." - John 15:5*

Come and join the celebration as we look forward to another great year of LifeGroups. There are many adults now participating in a LifeGroup, some for the first time. Groups meet in homes and on our church campus, on different days and at different times with varied studies and activities. There are many different types of groups for all ages: families with preschoolers, families with kids in K-12th grade, couples, singles, and more! New groups are formed regularly and are a great way to become connected and learn more about RB Community Church.

Just what is a LifeGroup? It is:

- A place to belong and be yourself
- A place to feel cared for and encouraged
- A place to grow in faith
- A place to develop leadership
- A place to explore spiritual gifts
- A place to share lives
- A place to pray for and serve others
- A place of accountability

Learn more about our LifeGroups ministry at the Kick-Off on Wednesday, January 16! Join us for Wednesday Night Supper (see prices on following page), and then for a special dessert to follow.
