

# ***Helping Hands***

***A free service to our church family and community***

**The Helping Hands volunteers of Rancho Bernardo Community Presbyterian Church** like to be thought of as your neighbors. Like a good neighbor, we are available to help you with some of your household problems.

## **Problems we might help you with are:**

- ✓ Electrical
- ✓ Carpentry
- ✓ Plumbing
- ✓ TV & audio equipment
- ✓ Computers & printers
- ✓ Moving furniture
- ✓ Getting things out of the attic

Helping Hands can help with tasks such as changing a hard to reach light bulb, turning a mattress, helping with computers, moving heavy furniture, or repairing minor plumbing problems.

In some instances, we may be able to give you the help you need over the phone. In other cases, our volunteers will need to come to your home to solve the problem. If necessary, because of the size of the project or technical complications, Helping Hands will suggest professional help.

Helping Hands will try to figure out why something doesn't work as it should, e.g. the disposal won't turn on, an electrical circuit isn't working, or the garage door remote control doesn't work. Give us a try. Maybe we can help.

## **How To Get Help**

Call the church office at (858) 487-0811, ext. 239 or wait for the operator and ask for the Helping Hands extension.

Describe the help you need or the problem you are having and leave your name and phone number. Please speak clearly as this will help us to understand your needs. A volunteer will return your call as soon as possible.

You do not need to be a member of RBCPC to receive our services. Our mission is to help anyone in the Rancho Bernardo, Poway and Escondido areas with their household problems.

## What is Helping Hands?

Helping Hands is a ministry of Rancho Bernardo Community Presbyterian Church. We have been in existence since 1995 and have worked on more than 3,000 problems. Our experience is mostly as homeowners ourselves. We are not licensed contractors and cannot do projects requiring permits.

There is no charge for our services. Think of Helping Hands as neighbors – it is our privilege to help you when there is a need. Many of our “customers” prefer to make donations. Funds received are used to support ministries of RBCPC.
