Frequently Asked Questions

What is the time commitment?

Meeting times are flexible - typically once or twice a month initially lasting for about 6 months.

We have small children and do not have childcare. Is that a problem?

No, the meetings can take place in a kid-friendly location, in the Mentorees' home, or in a reserved room during a second church service when there is childcare.

Do you offer marriage counseling?

For confidential Pastoral and/or professional counseling referrals, please call the Congregational Care Coordinator (858) 487-0811, x221. A Mentor Couple would also be happy to come alongside you, pray with you, encourage and support you while you are receiving counseling.

What happens after we sign up?

You will be asked to fill out a brief and confidential application so that you can be personally matched with a mentor couple. The Guenthardts can also answer any questions you have.

"If churches would become marriage mentoring centers, it would create a revolution in our society." ~ John Ortberg, Pastor and Author.
