Welcome to Fall Fest 2018!

Welcome to Fall Fest 2018! Festivals and celebrations are normal events in the life of God's people. "High holy" days of Easter and Christmas always bring crowds to church, but we can also create other days that celebrate the moments in the life of our community. We're in the fall season of re-gathering after summer, a back to school time, and college football (one of my favorite sports). Thus, our Fall Fest is born!

We also begin a short, simple message series based on the New Testament letter of 1 John. We'll pull out four big, life-changing practices in the coming weeks: "How to Pray," "How to Love," "How to Live," and "How to Die." That last message may seem a bit daunting, but I invite you to this journey with our faith family that will cover four really important elements of the Christian faith.

If you're new to our church family, please pick up a shopping tote after worship in The Hub. And also note we have two HUGE events this Wednesday for men and women, with ample things for kids and students going on at the same time. If you are reading this at home, contact Sheri Woodley at sheri@rbcp.org to get in your reservation for the night.

Thank you for worshipping with us; read more opportunities to be blessed and to be a blessing. Our Missions Ministry is collecting new underwear for homeless children, women, and men being served by Presbyterian Urban Ministries (PUM). Contact Elaine Johnson at missions@rbcp.org for more information.

SAVVY TRAVELERS

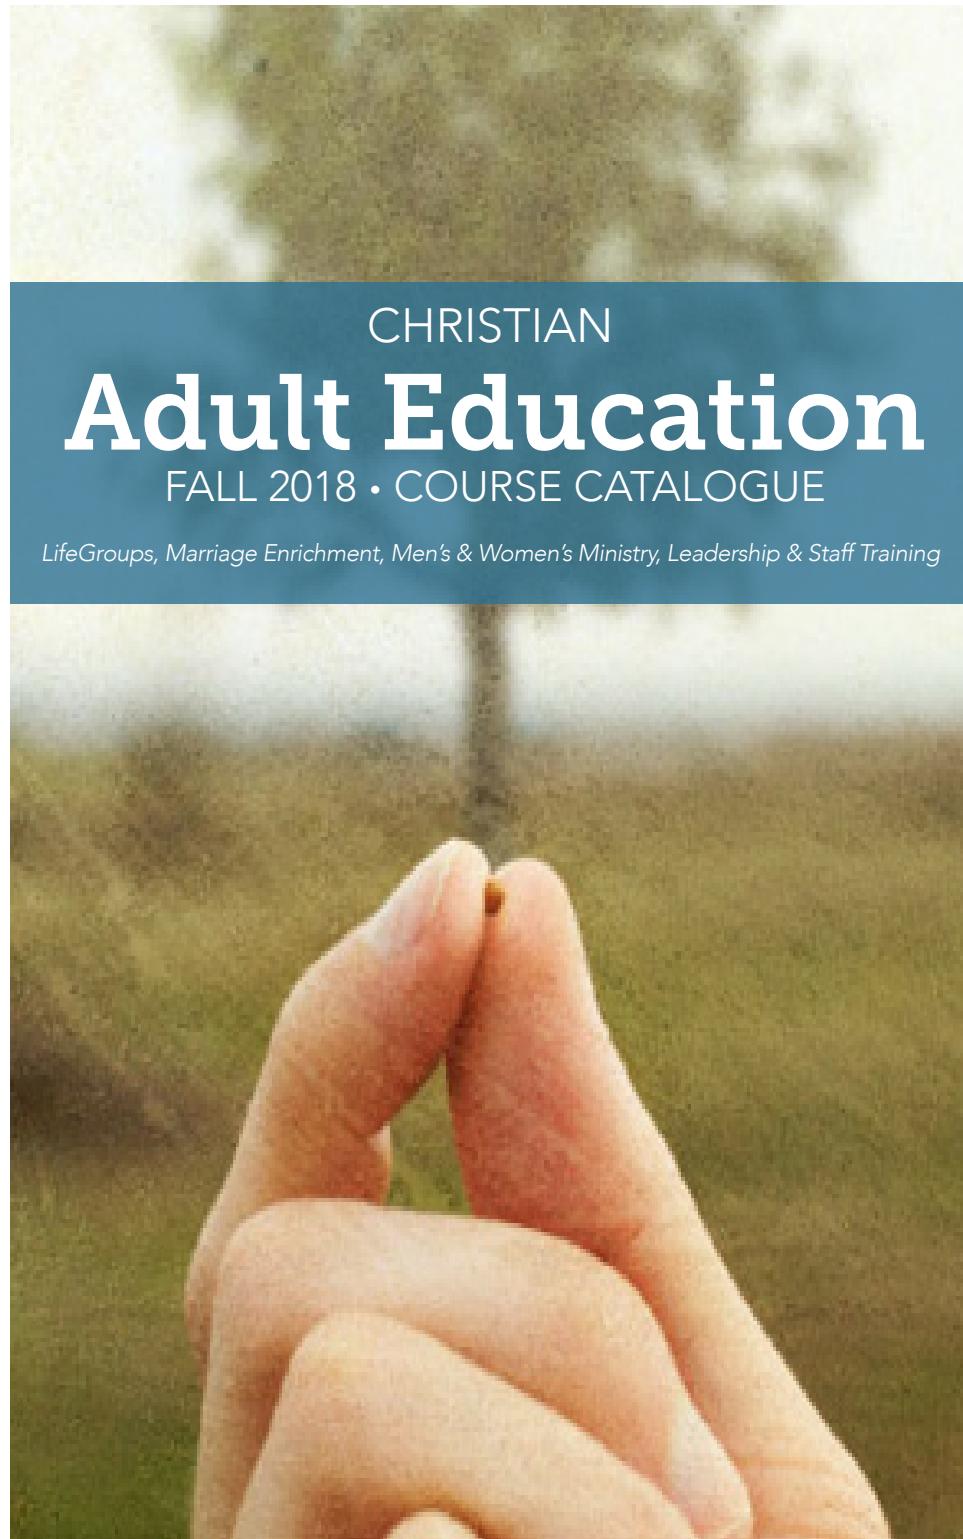

March Field Air Museum

Saturday, October 20 | Riverside

Travel with Savvy Travelers for a visit to the March Field Air Museum in Riverside, which displays nearly 80 historic Army Air Corps, Air Force and Navy aircraft spanning 100 years of aviation history. The outdoor collection includes World War I biplanes, War II bombers and cargo planes, helicopters of the Vietnam period and the jet fighters and "supersize" and "superspeed" planes of today, and even a few "bad guys" - Russian MIGs. Inside the main building are numerous exhibits of aircraft details and equipment, flyers' uniforms and gear, military drones and special "outer space" subjects. All the aircraft and exhibits can be seen "up close and personal" and docents - mostly former flyers - will be present for information and discussions. The trip also includes lunch at the Falkner Winery in Temecula. For information or to sign up, come to the Savvy Travelers' courtyard table on Sundays or call Jim or Kay McClain at 442.257.2158.

Savvy Travelers go on fun adventures all year round! For more information about their ministry, contact Don & Sharon Watkins at dewatkins@aol.com.

Pick up the Christian Adult Education Fall 2018 Course Catalogue today!

Along with the new ministry of Life Groups, we are starting the RB Community Church College of the Bible! With Life Groups being small groups, that will primarily be held in people's homes and focus on connecting us as brothers and sisters in Christ, the College of the Bible will be focused on providing solid biblical training.

The College of the Bible is going to begin with ten tracks which students can follow that will lead to a "major," and/or "minor." When students reach a certain amount of credit hours within a track they will receive a certificate.

The Certificate Majors are:

1. Christian Ministry
2. Biblical Studies
3. Theology
4. Christian Leadership
5. Missions

The Certificate Minors are:

1. Church Health and Growth
2. Spiritual Formation
3. Teaching
4. Theology and the Arts
5. Youth Ministry

You will still be able to take any class you like, but if you declare a major or minor, there will be a selection of courses you can take that will lead to the Certificate. If you don't declare a major or minor, you will automatically be in the Christian Ministry track.

To make your declaration, and to register in the College of the Bible, you will need to take the "Gateway Class" which will be offered various times throughout the year. You will note in the Course Catalogue that the class is offered twice this Fall Semester. You only need to attend one set of three classes.

- Wednesdays, September 26, October 3 and 10
- Wednesdays, November 28, December 5, and 12

The Gateway Class will be in the Lower Fireside room, and will be taught by Rev. Dr. Bryan Stamper, our Senior Pastor.

If you have questions or are a bit confused as we start this new ministry, please contact me, I will be happy to talk with you. If you would like to teach a class, or know someone who could, I would love to talk with you about the possibilities.

The Fall Semester begins the week of September 16, so grab a Course Catalogue and become a student! If you have questions or would like to learn more about other Education and Discipleship opportunities here at RB Community Church which include; The College of the Bible, Life Groups, Men and Women's Ministry, Staff and Leadership Training, and Marriage Enrichment, please contact me at john@rbccpc.org or 858.444.7666.

See you in College,
