A Month of Missions

Well, three weeks anyway. For the first three weeks of December Pastor Bryan is preaching on the transformative nature of giving and mission. We are taking this opportunity to highlight missions that are supported by the RB Community Missions Committee. Each week we will focus on different mission partners serving in local, regional, and international communities.

This week, you are able to visit with our local missions and missionaries in the gallery or the courtyard. The following missions are represented so we hope you will take a few minutes to visit their table and learn more about their efforts in our local community.

Alternatives Medical Center provides a variety of limited medical services and educational programs to men and women through a Christ-centered lens. They are located in Escondido but today you can visit the AMC van in our upper parking lot.

Cru Bridges – San Diego is supported by “home grown” missionaries Linley Sullivan and Josh & Sarah Dean. Linley works with local high school students and the Dean’s work at local universities to bring the Word of God to those who haven’t heard or made a life commitment to Christ.

Flourish San Diego – As the church in North America continues to decline and marginalize, Flourish helps congregational leaders understand the current cultural moment and resist the tendency of a self-preservation mentality.

Reality Changers transforms lives by providing youth from disadvantaged backgrounds with the academic support, financial assistance, and leadership training to become college graduates.

Urban Youth Collaborative is a network of local churches that support student-led faith clubs and motivational assemblies at middle and high school campuses in San Diego County.

Young Life/Capernaum introduces adolescents to Jesus Christ and helps them grow in their faith by focusing on what matters most to them: fun, adventure, friendship, and a sense of significance in which the truth about God and his Love for them is revealed.

Thank you in advance for visiting our mission tables and please, pick up one of the Mission Booklets so you have a better understanding of how your mission dollars are making a difference in our local, regional, and international communities.

Serving HIM Together,  
Elaine Johnson, Mission Coordinator
