Sign In/Sign Out Policy

We need all parents and responsible adults to meet with one of our volunteers to sign their children in and out each day.

Each morning we will begin in Lower Fireside at 9:00 am where you will sign your child in. We will end each afternoon in the Sanctuary where you will sign your child out.

If someone else is going to pick up or drop off your child, we need to have a written permission note with your signature. The form on the next page is an easy way for you to let us know who has your permission to sign your child in and out, and what dates they have permission to do so.

If there is an emergency, you may give us verbal permission (over the phone) to release your child to someone. Also, children need to be picked up within 10 minutes of the program ending, and may not be checked in more than 5 minutes early.

Thank you for your understanding as we do our best to keep your children safe!
